PRESENTING A

GRAPHIC ACCOUNT

OF ACTIVITIES AT

Morgan Park High School

PUBLISHED BY THE

STUDENT ASSOCIATION

CHICAGO, ILLINOIS

Dedication

It's a long time back to a March day in eighteen hundred eighty-two, when a young German lad landed in this land of ours. He grew through the stranger's hardships here as rapidly and well as he has grown into the hearts of all whom have known him. Without any knowledge of the English language he entered a Chicago grade school and by the time he was fifteen, had mastered a course in business school and was working in a wholesale grocery store. For sixteen years he worked during the day and in the evening went to night school. A breakdown from overwork necessitated a change to another line of work. Capitalizing on earlier athletic experience he entered the field of physical education. He came to us a little over ten years ago and entered our commercial department in nineteen hundred thirty-one. During this school year he left us, having retired at the age of sixty-five. To him, Robert E. Maysack, we dedicate this chapter of the history of Empehi. Good-bye, "Pop", it has been grand knowing you.

Robert E. Maysack

Principal's Message

As the school year 1937-1938 draws to a close, I wish to utilize this opportunity to express my deep appreciation to the members of the faculty and to those students of Empehi who have so willingly and unselfishly co-operated in making of this school year the success it has been. The year has been marked by many worth-while achievements. Another milepost has passed. Time marches on!

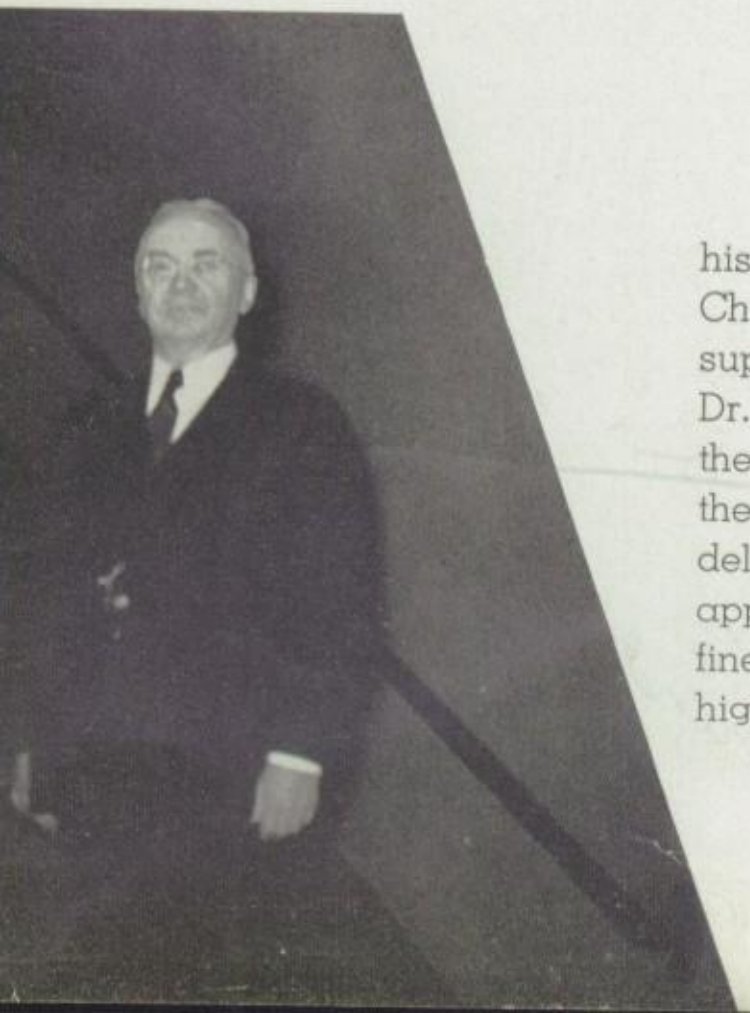
Opportunity is something represented as a mythical person having a lock of hair overhanging his brow but bald behind. Opportunity had to be seized as it approached each mortal. When it had passed, it could not be seized and made to do one's bidding. If we have failed to capitalize upon our opportunities during the year which has just been written into the records, may we profit by our past mistakes and look forward to the coming year with confidence and determination to make the most of our talents and abilities.

Some Italian philosopher has declared, "time is my estate." But an estate will produce nothing without careful cultivation, but will generously repay the labors of industry. Assiduous application performs a double function. It not only produces a bountiful harvest but in order to achieve this result, it must at the same time subjugate and lay low all noxious plants which choke the better impulses of our natures.

Not what men do worthily, but what they do successfully, is what is most highly prized by succeeding generations.

Dr. Eston V. Tubbs

Principal



Dr. Eston V. Tubbs, a member of Phi Beta Kappa, received his A.B., A.M., and Ph.D. degrees at Northwestern, Illinois, and Chicago respectively. He has been a teacher, principal, and superintendent of several high schools and grammar schools. Dr. Tubbs has been a lecturer of education at Northwestern, the Art Institute, Loyola, and Chicago Musical College. He is the Social Science editor of the F. A. Davis publication in Philadelphia and has written many articles on education which have appeared in educational journals. Dr. Tubbs is recognized as a fine scholar, educator, and author—the principal of our own high school, Morgan Park.

Captain George G. Lorentz

Captain George G. Lorentz, assistant principal of the Morgan Park High School, though stern in deportment matters, is a favorite of everyone. We love him and will miss him.

Assembly Hall

Morgan Park High School, located in the midst of a beautiful residential district, is loved by all who attended its classes and is known by them as Empehi. Within its walls have been founded such organizations as the Student Association and the American Youth League. From its classrooms have come athletes, artists, and scholars. By its members the Empehi News, Handbook, and Annual are published.

FEATURES

Old Main

Morgan Park is a school where young people may learn, exercise, enjoy social life, govern themselves, and judge themselves.

During the past year Empehi has advanced in a rapid pace as it must do to keep up to the minute in this modern crazed world. The country's finest lecturer, an outstanding male chorus, and a star of the legitimate theater have appeared in its assembly hall. Students have pledged themselves to keep America altogether American. The star of the football team was a leader in the city-wide All-Star poll. A group of dramatic students broadcast in a Chinese play over a local station. Editors, reporters, columnists, typists, cartoonists, and salesmen produced a better Empehi News. The Student Association went from a flying campaign to a circus membership campaign. A newsreel was produced in color. Clubs and societies were formed and disbanded. And as the last event of the year the Annual was edited with a modern theme.

One teacher left us in death, two instructors retired, and other friends of the faculty went to strange schools as new friends came to us.

Our building was redecorated. The library was enlarged until it now contains seventy-three hundred volumes and seats seventy-five students, stretching from the west corridor to the center corridor. The Student Association office was moved to room two hundred twenty and room one hundred twenty-five became a conference room.

Empehi has changed in the past, it did change this year, and it will change in the future, so good-bye, Morgan Park, we have loved you and will love always—good-luck in the future.

Seniors

of 1938

February Class Officers

The February Class of nineteen hundred thirty-eight has left behind a noteworthy chapter in the history of Empehi. The Grand Ballroom of the Medinah Athletic Club on North Michigan Avenue was the scene of the Senior Prom held on Tuesday evening, January twenty-fifth. Nearly five hundred couples gathered to dance to the music of Harvey Clyde and his orchestra. This attendance set a record for high school dances.

The competition for the class officers was keen. Finally John Riddle, an athlete and a scholar, was elected president of the class. Marion Arnold became vice-president and Doris Westerburg was secretary. Frank McGrath, a football hero of the season, served as class treasurer. The gift committee was headed by Ruth Eddy. The committee decided to buy curtains for the newly enlarged library.

The Senior Assembly was presented on the Wednesday before graduation. The assembly was a play about the comic character "Little Abner." Frank McGrath enacted the main part with Eileen Jones, Neil Johnston, Edward McKinlay, Martin Haedtler, William Deiters, and Marion Arnold in leading roles as Kentucky hill-billies. The plot was based on the modernizing of Dog-Patch. Every one of the scenes held new thrills with many classmen displaying their talents in the final night club setting. It was complete in details with even Salomie, the Yokum pig, present in grand style.

Arthur Bethke acted as Empehi's principal on Student Administration Day. The students took charge of the school after fourth period for the rest of the day. Seniors managed the offices of Dr. Tubbs and Captain Lorentz, giving orders to other seniors who instructed in the classrooms.

Still desiring more social enjoyment, the seniors gathered in the small gymnasium for a backwood's social. A great deal of fun was had by all and prizes were awarded to the persons wearing the best costumes.

The next evening the members of the February nineteen hundred thirty-eight class received their diplomas and left behind them the much beloved Empehi. Now they are finished enacting their part in this high school history and they are out to add new chapters to their personal history but Morgan Park High School will long be remembered by all.

Who's Who—February 1938

Smooth Neil Johnston worked hard to obtain the many honors which he may now claim. He belonged to Tau Epsilon, Board of Control, Student Court, Student Council, and the Social Committee. In using his musical talents he was a member of the Boys' Glee Club and the A Cappella Chorus. Also he has been in the Emblem Club, Hi-Y, Tennis Team, and Track Team. He was vice-president of his Junior class and president of his Senior class. Neil served as Empehi's chief executive, president of the Student Association and was voted the most popular boy in his Senior class. Some day in the future we'll hear from Neil again.

Clever Jane Swearingen is an unusual combination of student and leader. All during her high school she has been a member of the Girl Reserves and has served them as both vice-president and president. She has been secretary and vice-president of the Quilpen and has been a member of Tau Epsilon for five semesters. For seven semesters she was selected as business representative for her division and she was a member of the Board of Control. Her alertness and ability will act as a die to form her future career.

Novel was Marion Arnold's rendition of "Mammy Yokum" in her Senior assembly. A fine student of the drama, she had been the secretary of the Dramatic Club. She has been on the Clean-Up Committee and the Student Court. Marion was a member of the Dancing Club, Girl Reserves, and Tau Epsilon. Lively and hard-working Miss Marion Arnold will get ahead.

Arthur Bethke, a regular fellow with a brilliant mind and charming personality, well entered the social, athletic, and scholastic branches of Empehi. He was secretary of his Sophomore class, president of his Junior class, and treasurer of his Senior class. He was a leader in the R. O. T. C., Concert Band, Tau Epsilon, and the Hi-Y. He was chairman of the Athletic Commission, Captain of the Swimming Team for two years, and he holds several city championships in swimming. Art's determination will cut his path to success.

June Class Officers

Again this June, Empehi has passed on a fine group of young, intelligent and able executives in every field.

Chosen to lead their class were: Henry McWhorter, who ably and efficiently preformed the duties of president of the class, assisted by Emily McCormack, vice-president. Emily also led the Social Committee which presented to the class a new and different Senior Class Social. Betty Maurer recorded the minutes of each class meeting, carried on class correspondence, and in many ways proved herself worthy of class secretary. The budget was balanced by Corwin Wickham, class treasurer, who handled all of the funds.

This June class also followed the newly established tradition of wearing caps and gowns. The class presented a most democratic and uniform appearance to the parents and friends.

The Senior Dance was held at a new and different place, located on Willow Springs Road, O. Henry. Seniors danced to the melodious tunes of a smooth and mellow orchestra.

The Gift Committee headed by Joan Wunder, after much debating and prolonged investigation, it was decided by the members of this committee the most appropriate gift was new side curtains for the Auditorium. It added to the graduating exercises an air of newness and superiority to the graduating seniors who gave this fine gift to the school

The Senior Play was one of the first of its kind. Fun mixed with the seriousness of each student as they enacted their part made a splendid success of the play, which re-enacted the March of Time. The March of Time displayed the extra talents given to the school by the graduating seniors.

The class members still desiring more social life held a large and interesting social the day before graduation and prizes were awarded to the students displaying the most interesting costumes.

After all the excitement of the play, social and all other activities connected with the seniors each and every member of the June, nineteen hundred and thirty-eight graduating class, took their diplomas and left behind them memories never to be forgotten. Again Morgan Park High School has graduated a fine group of highly educated and trained executives for the new outside world.

Who's Who—June 1938

Warren Brown, athlete and scholar and executive, describe the winning ways of a fine student perhaps better known to some students as "Slug," a name acquired because of his talents shown in the "swimming world."

In Warren's four years he has done many fine things. Swimming was one of Warren's main interests and he was on the team for four years and led the swimmers in his third year as captain. A member of Tau Epsilon, Chairman of Student Court, Chairman of the Athletic Commission, Sports Editor of the Annual, and member of the Executive Committee and Board of Control all tell the history of Warren's career. With such a fine head start Warren is bound to go far in the world of business.

Vivacious, smiling and "tops" in efficiency is Clarabel Grossman, an active Empehite in academic and extra-curricular activities. Clarabel has acted well as an executive being first vice-president of the Student Association, a member af Tau Epsilon for four years, Co-Chairman of the Clean-Up Committee and a class officer for three years. Also activities to be added to this list are Board of Control Chairman, member of the Executive Committee and four years well spent in some musical organization. Wherever Clarabel goes success and popularity will follow her, a fine and loyal student.

A capitvating smile and outstanding leadership are Shirley Black's. Shirley started her fine career at high school in her freshman year by being president of the then newly organized Branch. As her ways turned to the literary world she was a member of the Annual Staff for four years and in her last year became Editor-in-Chief of this Annual. Before claiming this honor she was business manager of both the Empehi News and Annual. Board of Control, the Executive Committee, Tau Epsilon, Finance Committee, Quil and Scroll, and vice-president of the American Youth League took in some of her talents. No finer tribute may be offered Shirley other than that given her by the Daughters of the American Revolution, an award for fine leadership, citizenship and scholastic ability. Success will always follow Shirley.

Henry McWhorter, Senior Class president, rightfully claims the offices which he has held throughout his high school career. Henry was perhaps known to a lot of students as "Doc" because of his excellent work as trainer of the football team. Henry lent his talents to the Finance Committee, the Student Court, Latin and Emblem clubs, and Tau Epsilon during his four years of high school. Henry has well started his future career as a fine doctor and executive and we know he will follow it out, so good-luck Hank, may success follow you always as it has done in the halls of Empehi.

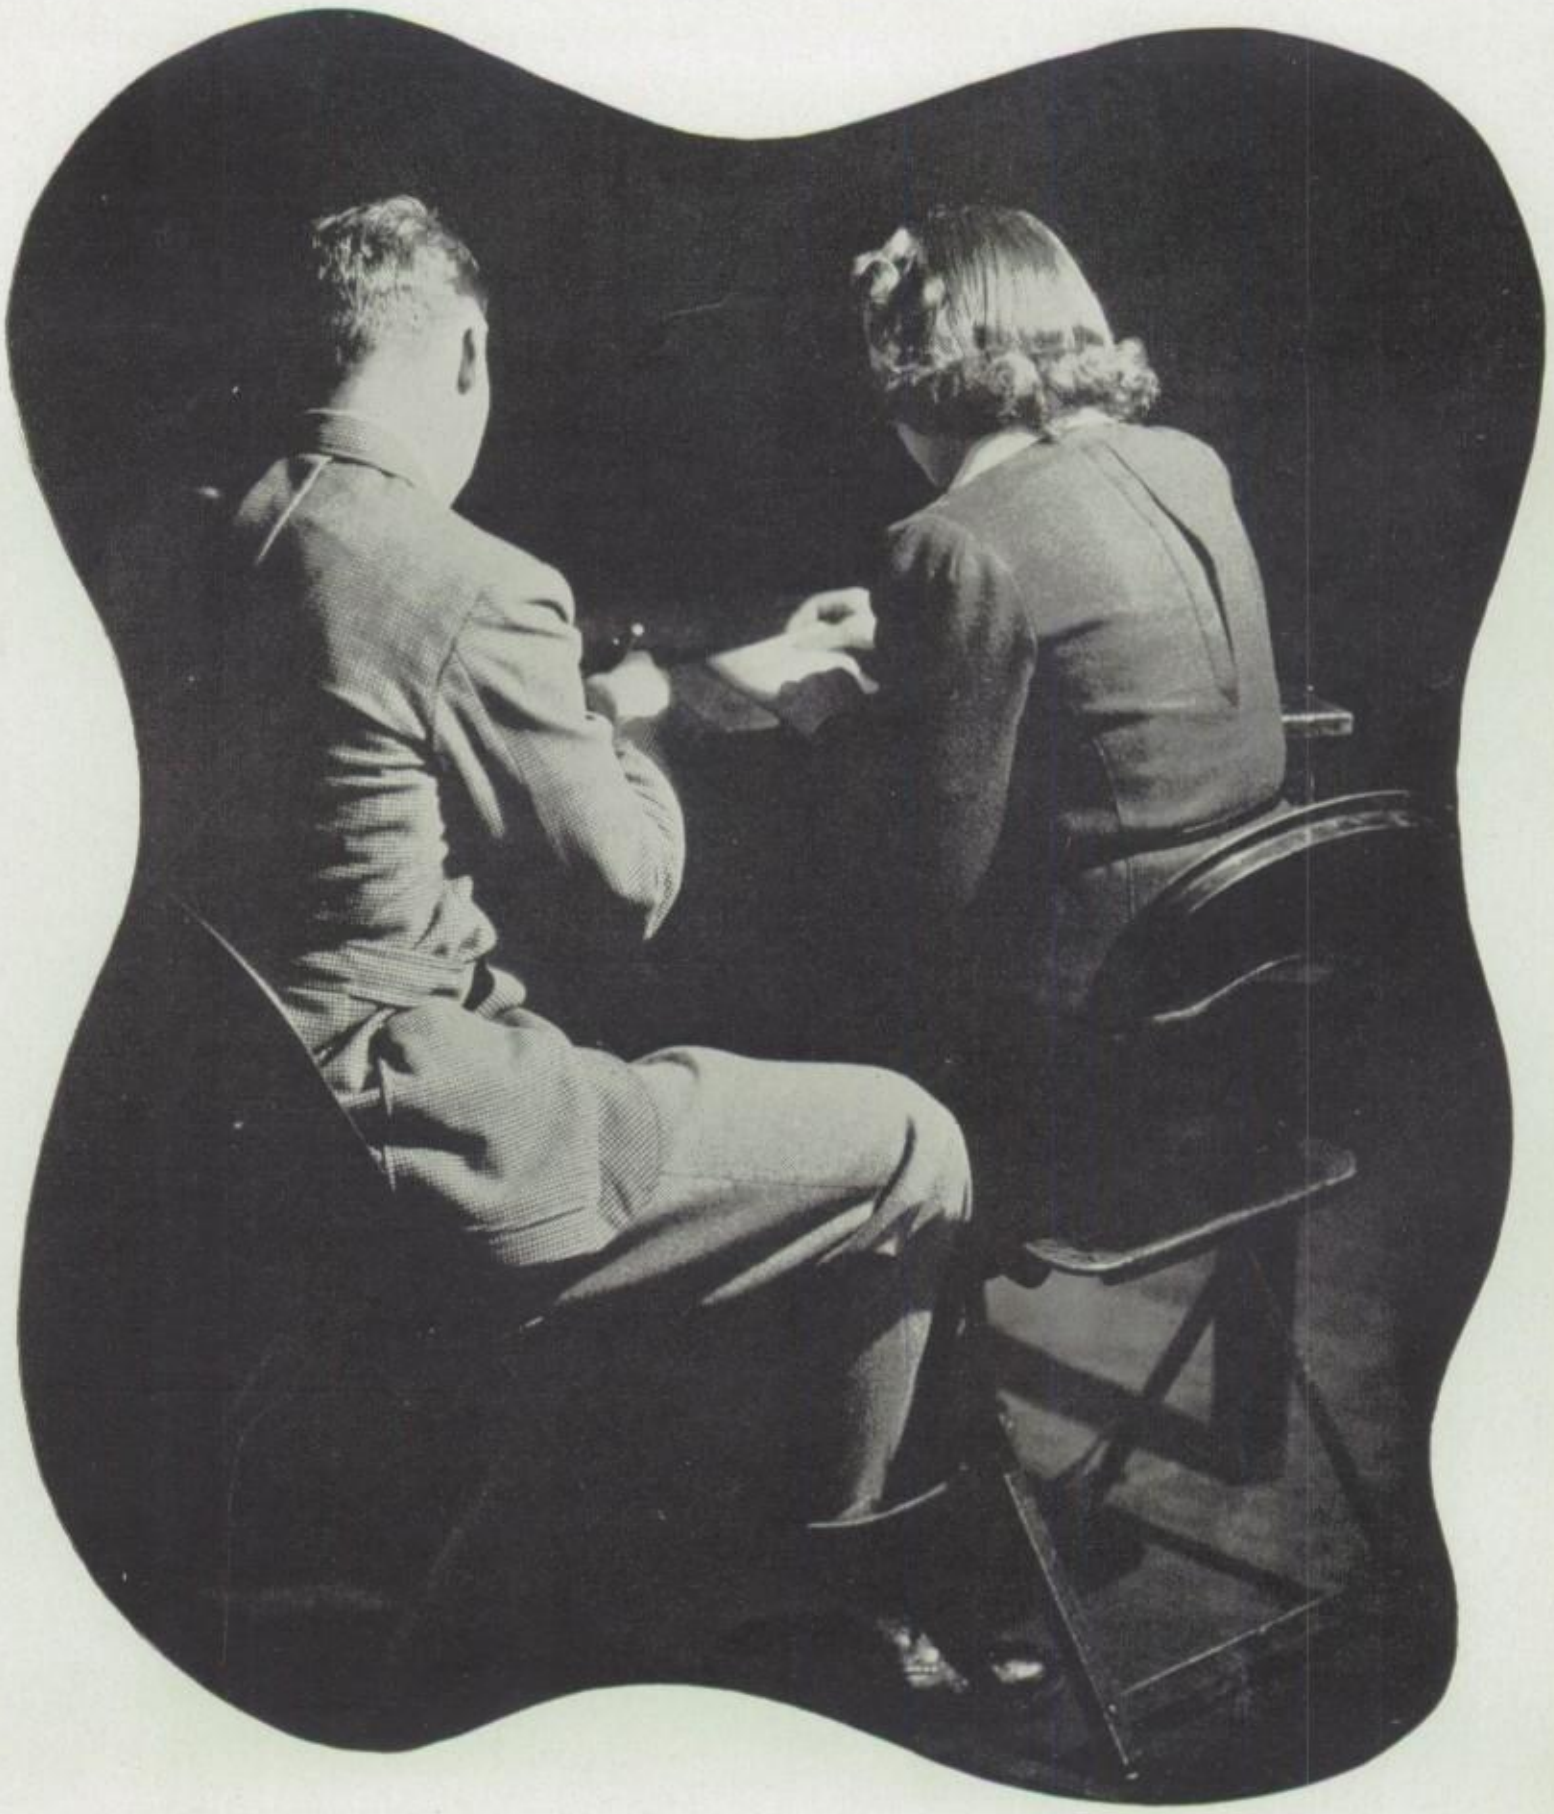
[Page 49]

Activities . . .



Student Association

The Student Association, for the past year, has been under the leadership of Neil Johnston, president; Clarabel Grossmann, vice-president; Shirley Nelson, second vice-president; and Charles Beardsley, secretary. The Student Court was under the able leadership of John Jackson, for the fall semester, and Warren Brown for the spring semester. The Promotion Committee was headed by Helen McCumber. Warren Brown was in charge of the Athletic Commission the first semester and Joe Greenwood for the second. Dorcus Gallivan headed the Student Association at the Clissold Branch the last semester and Henry Melin for the first semester.

The first semester aviation was used as the theme for the Student Association membership campaign. An airplane spelling the words "Student Association" was used as the symbol for gain in membership. As additional members were gained the airplane spelled out more of the letters until the total membership had been reached and the complete words were spelled out. The theme for the second semester was a circus. The different functions of the Student Association were called side-shows and a general circus theme was carried out.

A new type of Student Association card was developed the second semester to prevent the use of one card for two or three persons. This year a handbook was published showing the different courses of study, organization of the Student Association and a great deal of valuable information.

Throughout the year moving pictures were shown as free entertainment, which is a part of the Student Association policy. A new point system was established for the clubs whereby they were judged on their efficiency by the number of points they earned for their various activities. This system proved to be a great success. A new system was also established by the social committee for filing activity cards. The financial committee began a permanent record file of Student Association created a new membership record this year of 1580 members.

Lorentz, Beardsley, Moore, Sooy, Homan, Norris.

Board of Control

The Board of Control, which is composed chiefly of the club presidents and other organization heads, has during the past year introduced a new system in an attempt to induce the various clubs to become more active.

Points are given for each important activity or event in the club's program and every club is compelled to secure at least ten points each semester. The results of the point system will be influential in determining the receiver of the Spirit Cup.

This cup is passed on each year to the club which is believed to have done the most for the school and students in general. Its presentation is the main event of the annual Board of Control Banquet in May. Also, retiring and new club members and Student Association officers are introduced at this gathering.

Another project of the Board of Control this year was the promotion of a Board of Control assembly. Its purpose was mainly to acquaint the student body with the various club presidents and was presented in the form of a "Hollywood Premiere" with personal interviews before and after the movie "Board of Control" which revealed some of the clubs in action.

Dates and plans for all other assemblies were made under the supervision of the Board of Control and its chairman, Clarabel Grossmann, and secretary, Charles Beardsley.

Student Council

The Student Council is composed of the chairmen of the various division rooms at Morgan Park High School. This body is the lower house in our government and it is presided over by the president of the Student Association. It is the Council's duty to legislate for the benefit of the school. This group has no definite meeting time, meeting only when there is sufficient business to warrant a meeting.

During the past year the Student Council has helped in securing members for the Student Association and in helping to improve assembly order and in both tasks they proved very effective and helpful. Checks were made to see which divisions were highest in membership percentage so that the divisions with few members would then be able to be helped by the members of the Promotion Committee. Their aid was also enlisted in order to improve the conduct of the assembly hall. A meeting was called expressly for the purpose and after their cooperation was received the conduct improved very much. This group plays a very important part in our school government and is indispensable.

ROW 3: MacKimm, Secord, Reich, Anderson, Hall, Palmer, Wickham, Nebel, Gilson, Ruff, Klaas, Bickel, ROW 2: Akenhead, Miles, Hamilton, Pemberton, Marx, Potts, Upp, Rodger, Flint, Drinkwater, N., Sorgenfrei, Pope. ROW 1: Heffley, McNeil, Donop, Crow, Black, Mrs. Cella, Brown, Drinkwater, Wolff, Cruse, McNeil, H.

Annual Staff

The purpose of this sheet is to bring the affairs of the staff into the limelight, as they like to have them written from a personal viewpoint. Our staff is composed of numerous departments with varied responsibilities. At the head of these departments is Shirley Black, editor-in-chief of this year's "EMPEHI."

Charles Drinkwater has been a successful literary editor because his interests were varied and his knowledge was broad. Chuck's studies of journalism have given him a comprehensive appreciation of the customs and ideals embodied in "EMPEHI'S" of former years. This year the standard he has set assures the success of his contributions.

More than usual interest has been displayed in the various individual sports. Sports editor Warren Brown and his assistant Phil Upp are good sportsmen and have taken part in competition championship matches within the school. They have recorded all activities with skill and understanding.

A splendid business policy under the direction of Bob Crow has made the Annual self-supporting. Much credit is due his assistants Reinette Hall and Mary Jones. Thelma Donop, the staff's competent bookkeeper, has kept all records in good order.

To the following goes the credit for the 4A Activity and Hall of Fame blanks: Estelle Popes, Corlita Reich, Corwin Wickham, Alice Heffley, Palmer Ruff and Elaine Anderson.

Our editor-in-chief shared the responsibility of the collecting of the division picture money with Nancy Drinkwater, Marion Nebel, Lois Gilson, Henry Wolff. Dorothy Sorgenfrei and Audrey Flint. Much credit is due these young people for the dispatch and accuracy with which they completed their work.

When you are enjoying the detailed information in the "EMPEHI" of the activities of the clubs in which you hold a membership, remember Howard McNeil, Marjorie Secord, Virginia Akenhead, Dorothy Bickel and Jane MacKimm were responsible for getting those fine write-ups.

The necessary work of imparting knowledge to February freshmen regarding their procuring annuals has been well cared for by Mariruth Marx, and Anne Hamilton.

Topping a four-year career of busy accomplishments, Shirley Black was editor-in-chief of this year's "EMPEHI". Our lovely blue-eyed, serious-minded Shirley has given a splendid report of herself in her attitudes, aspirations, and ability in the production of the "EMPEHI". Because of Shirley's pleasant association with our teachers of Morgan Park this year's annual is her tribute to them. We salute Shirley and trust that she may go far in everything she attempts.

Robert Crow, Business Manager of the "EMPEHI" annual and newspaper, well merits all credit given him. He has maintained a high average in academic work and showed outstanding qualities of leadership and character. He has at all times encouraged a fine spirit in the staff room. Robert, the practical joker, has really been a fine contact man for the ads appearing in "EMPEHI". The financial success of these ads have made its publication possible.

Best Wishes Dorothy Bob

With infinite grace and precision Mrs. Dorothy Cella has again concluded the editing of the "1938 EMPEHI". She has been with us a number of years and each year seems more indispensable. Mrs. Cella has been a wise councilor and guide to all those who have been assigned definite responsibilities. She is one to whom the welfare of each student is a paramount consideration, and in return for this, we love, honor, and respect her.

Members of the faculty have been very gracious in their cooperation with Marcia Cruse in assembling the accurate faculty list which appears in the Annual.

A number of candid camera and kodak enthusiasts, under the direction of Wilbur Eckel, have taken the clever pictures which appear throughout the Annual to remind us of people and places.

Those who have given fine assistance in the staff room in all phases of the compiling of the Annual are Mabel Rodger, Elma McClenathan, Robert McNeil and Alan Potts.

A tireless but not thankless job is that of proof reading, which has been well done by Barbara Miles and Janet Palmer. It has been a pleasure for the staff members to assemble and present the "EMPEHI of 1938" to all Student Association members.

Empehi News

Members of the Empehi News staff work hard throughout the school year so that Student Association members may receive their copy of the school paper each week. The fall semester of the school year brought several changes to the Empehi News. Chief of these was the transition from a five-column paper of six pages to a six-column paper of four pages. This modification enabled the staff to print more news in a more convenient and compact form.

Robert Staudinger was editor of the Empehi News for the fall semester, and it was under his direction that several improvements were made in the headline style and make-up of the paper. Robert made a special of make-up and typography and in this way contributed toward the paper's improvement.

Doris Clay and Allan Olsen were co-editors during the spring semester. They worked together to maintain the high quality of the paper and to organize a staff which would carry on the ideals of the Empehi News.

Empehi News...

The Empehi News is a member of the National Scholastic Press Association, the Greater Chicago Scholastic Press Guild and Quill and Scroll, the International Honorary Society for High School Journalists. Robert Staudinger, Doris Clay and Allan Olsen from the editorial staff, and Shirley Black and Robert Crow from the annual and business staffs respectively, represented Empehi at the National Scholastic Press Association Convention held in Des Moines, Iowa, during the first part of December. This is an annual convention where student journalists from all parts of the country gather to exchange and compare ideas. Representatives of the paper also attended the Medill Press Conference at Northwestern University during the latter part of April.

Nine staff members entered the annual extemporaneous contest of The Greater Chicago Scohlastic Press Guild. They were Doris Clay, Allan Olsen, Robert Crow, Robert Moore, Ruth Poor, Bernice Yarline, Margaret Jean Sheahan, Robert Haedtler, and Elaine Kuehne.

The Business Staff, of which Mrs. Dorothy H. Cella is the advisor, has played an important part in the production of the Empehi News through the soliciting of advertisements. Revenue which the business staff earns goes back into the paper in the form of photographs and cartoons.

ROW 3: Wray, Martin, Shields, Sheahan, Starz, Nichols, Arthur, Crow, Allison, Horter. ROW 2: Johnsen, Gordon, Hall, Soderstrom, Konecky, Gregory, Spence, Mathis, Wunder, Hewes. ROW 1: Poor, Meyer, Glass, Dingle, Olsen, Miss Bauman, Clay Haedtler, Crow, R., Moore.

ROW 3: Hough, Pearson, Arquilla, Erickson, MacNeely, Doyle, Drinkwater. ROW 2: Murray, Swanberg, Munson, Kuehne, Davis, Connell, Reich, Flanagan, Robinson. ROW 1: Sener, Hoffman, Tuerk, Howieson, Crasper, Linaweaver, Samuels, M., Simms, Samuels, Ewing.

ROW 3: Klaas, Jones, Zins, Cruse, Wickham, Conwell, MacKimm, Matthews, ROW 2: Akenhead, Hall, Reich, Berthold, Friel, Roff, Henning, Rodger. ROW 1: Black, Moore, Pope, Anderson, Mrs. Cella, Crow, Miles, Donop, Wray.

Business Staff

To Empehites the Business Staff is a small but essential organization. To it goes the task of raising additional revenue for the publications of the Empehi News; this is done by the selling of advertisements. The staff also has charge of the distribution of the papers to all teachers and Student Association members at the main building and at the Branch; exchanging of the Empehi News with all other papers in the United States and abroad; with all alumni and advertisers. To it also goes the additional job of making the Empehi News' budget balance at the end of each semester.

Robert Crow has acted as the Business Staff's head for the past two semesters. During that time he has been assisted by Elaine Anderson. The dutiful offices of advertising manager, circulation manager and exchange manager fell to Mabel Rodgers, Reinette Hall and Mary Jones respectively. Thelma Donop, aided by Marcia Cruse, served as auditor. As an added asset to the Business Staff it had as its advisor Mrs. Dorothy H. Cella.

In December, as its representative to the National Scholastic Press Association Convention in Des Moines, Iowa, the Staff sent Robert Crow.

Under the efficient direction of the various officers and the splendid cooperation of its members, the Business Staff finished another very successful year.

SPENCE

GREENWOOD

Tau Epsilon

Tau Epsilon, the honor society of Morgan Park High School, is one of the largest clubs in the school. In accordance with its purpose of promoting scholarship, awards are presented to the graduating seniors who have been members of the organization throughout seven semesters of high school. The awards are usually in the form of a Tau Epsilon pin guard.

In order to become a member, the applicant must have four honor points, belong to the Student Association and have no grades lower than G. Honor points are awarded for each E or S, and for perfect attendance; also division room officers, to leaders of student activities, and to those who are outstanding in various lines of school service. Each prospective member must fill out an application blank approved by the division room teacher in order to join the club which at present has over three hundred members.

Tau Epsilon's activities are many. During the course of the year it presented for the students' enjoyment Irving the Magician. Under the able chairman, Vice-President Joe Greenwood, the club undertook the selling of envelopes to the under-classmen, these envelopes to be used as a safeguard for course books. Also the club sponsored its third annual Ping Pong Tournament, which was a huge success. All these were accomplished only with the able assistance of the club advisers, Miss Meroe Colan and Mr. Charles Q. Drummond.

Officers for the fall semester were: Edward McKinlay, president; Fern Hart, vice-president; John Mordue, secretary; and Rosalie Phillips, treasurer. Other officers for the spring semester were: Ellen Spence, president; Joe Greenwood, vice-president; Jane van Gorkam, secretary; and Robert van Etten, treasurer.

ROW 4: Branit, Bradley, Green, Stober, Correa, Holland, Stevens, Alt, Glass, Nichols, Shannon, Scott, Horter, Cook, Stone. ROW 3: Spence, Branit, Stewart, Hite, Mulligan, Bruhl, Donop, Sorensen, Konecky. ROW 2: Francis, Hewes, Lagerstrom, Hall, Hoffman, Cavanaugh, Willis, Lombardi, Correa. ROW 1: MacNeeley, Reinhardt, Hewes, Kirchhoff, Miss Holland, Dinnsen, Menagh, Blackburn.

ROW 3: Barry, Arthur, Gregory, Bochman, Artus, Hatfield, Loseff, Harm, Westhal, Crow, Jones. ROW 2: Sheahan, Riesel, Correa, Standerline, Brashler, Mordue, Carroll, Bronson, Stevenson. ROW 1: Dinnsen, Musser, Viall, Mauerer, Miss Brown, Palmer, Hough, Kay, Rantz.

The chief objective of "El Circulo Espanol", or the Spanish Club as it is in English, is to give the Spanish students, who have completed one year of the language, a better understanding of the people, customs, and activities of Spanish speaking countries.

Under the helpful guidance of Miss Mary Holland, club advisor, the club had a very successful year. Two doughnut sales were held to earn money to buy a large screen for the Baloptican, books for the library, and reading material for the Spanish classes.

The officers for the fall semester were: Albert Klein, president; Marion Viall, first vice-president; Elizabeth Stevens, second vice-president; Robert Beeson, secretary; and Janet Palmer, treasurer. The spring semester officers were: Anamary Kirchoff, president; Ruth Hewes, first vice-president; Jeanette Reinhardt, second vice-president; Marilyn Menaugh, secretary; and Robert Dinnsen, treasurer.

Band and Orchestra

The Band and Orchestra were organized to give the students an opportunity for a better understanding of instrumental music and to develop whatever talent they might have. This has been accomplished under the expert guidance of Captain Guy D. Hartle.

Whenever there is an assembly you will always find one of these organizations participating in them.

Last fall the Band and Orchestra gave their annual Ban-Stra Ball at the Skyline Athletic Club. This spring the organization sponsored a movie at the Beverly Theatre entitled "Hollywood Hotel." Due to the splendid cooperation of the members of these groups the activities were a success.

For the last few years the Band has entered the city Band Contest and this year they received the highest rating given.

This year the orchestra sponsored an assembly of young artists from the Chicago Conservatory of Music. The musicians that played at the assembly were a cellist, two violinists and pianist. The Orchestra plays not only for its own development and benefit but for numerous other occasions during the year. Every year the Orchestra plays at the commencement exercises of both the February and June classes and takes an active part in all Parent-Teachers Association meetings. All members of the Band and Orchestra are eligible for major letters after they have completed seven smesters of instrumental music.

ROW 3: Bobbit, Bruesch, Howell, Carlson, Brunger, Marson, Westlund, Mercier. ROW 2: Bertossa, Fardy, Damrow, Angstrom, Eckert, Conway, Barr. ROW 1: Kelly, Brennan, Shannon, Stephens, Miss Barry, Gamauf, Hodonicky, Abrams, Malinsky.

Salesmanship Club

The Salesmanship Club was founded in October of nineteen hundred thirty-seven by Roger Nolan and Richard Bobbit, the objects of the club being to aid in selling throughout the school and to broaden the members' knowledge by lectures, tours, and actual selling. These objects have been accomplished under the guidance of Mrs. Dorothy Cella, the adviser for the fall semester, and Mrs. Margaret Barry for the spring semester.

The only eligibility requirement for membership in the club is that a student has to have completed one semester of salesmanship.

Activities, which have been so worthwhile and helpful for the school, can best describe the reason for the club's great success. In the fall the club sponsored the American Red Cross drive. The total was the largest amount ever collected and it tripled the quota collected the previous year. Mr. Robert Maysack, who retired in the fall, spoke to the club on "The Importance of Education." A pen and pencil sale was also sponsored at which time the club made a large profit.

"Forward With Empehi" is the motto which has been chosen by Empehites by a contest sponsored by the club in the spring. A committee of teachers chose the winners and three prizes were awarded to the three best mottoes submitted. The club also sponsored a Mother's Day pin sale. The money derived from this sale will be used to sponsor an assembly given by a blind woman and her seeing-eye dog.

The officers for the fall semester were: Richard Bobbit, president; Florence Boersma, vice-president; Norma Eckert, secretary; and Fred Abrams, treasurer. The other officers for the spring semester were: Alice Shannon, president; Harry Gamauf, vice-president; Alexander Stephens, secretary; Lorraine Hodonicky, treasurer.

As a newly-formed club, it has done a great deal to progress enough to be one of the leading clubs in the school. It is hoped that the club will go "Forward With Empehi."

ROW 3: Legatzke, Miles, Grossmann, Dix, Juillard, Martin, Taylor, Marx, Jordan, Rodger, Loving, Wachter, Ekloff. ROW 2: Mathiasen, Soderstrom, Morgan, Olsen, Doran, Geary, Wells, McClenathan. ROW 1: Kottemann, Horter, Jones, Hensel, McCumber, Miss Kemp, Turk, Buckley, Anderson, Correa.

French Club

The French Club was reorganized in the fall of nineteen thirty-seven with Miss Beulah Kemp as faculty adviser. The purpose of "Le Cercle Francais" is to become better acquainted with the customs and language of the French people. French is spoken at the meetings.

During the past year "Le Cercle Francais" has carried on various activities besides its regular bi-monthly meetings. It has sponsored two sales, one of French creams, and the other of "petites Hershey barres." In the recognition of National Youth Week the club had as its guest speaker at a special meeting, Madame Darling, a French lady, who spoke on "Youth in France." The club has provided for two assemblies which were for the entire student body; the first, a dramatic entertainment by the actress, Miss Fannie Ellen Hogg, and the second, a baseball picture entitled "Batter-Up." In addition, the club presented for all those who were interested in French the movie "Sans Famille."

The officers for the fall semester were: Betty Ann Turk, president; Gilbert Wallace, first vice-president; Beatrice Mathias, second vice-president; Marjorie Buckley, secretary; Geraldine Holland, treasurer. The other officers for the spring semester were: Helen McCumber, president; Ruth Hensel, first vice-president; Marjorie Buckley, second vice-president; Elaine Anderson, secretary; and Mary Jones, treasurer.

"Le Cercle Francais" has made great strides in the past year for such a young organization.

Commercial Club

The Commercial Club is one of the most active and useful organizations in the school. The club was organized in nineteen hundred twenty-nine with a three-fold purpose: to render service to the school through the Students' Exchange and to furnish teachers of clubs with commercial work; to increase the business knowledge of the students by taking excursions through educational business firms; and provide able and interesting speakers; to bring the commercial students together in a group and to provide a social life for them.

All students taking commercial subjects and belonging to the Student Association are eligible to join. The club has been under the able sponsorship of Miss Weislander for the last two years.

Commercial Club

As it is the policy of the club each year to visit two places of business, the club this year has planned to go through the County Building and the mail-order house of Montgomery Ward and Company. Each semester some form of social activity is sponsored by the club. This year a house party and also parties given at school made up the largest part of the social calendar.

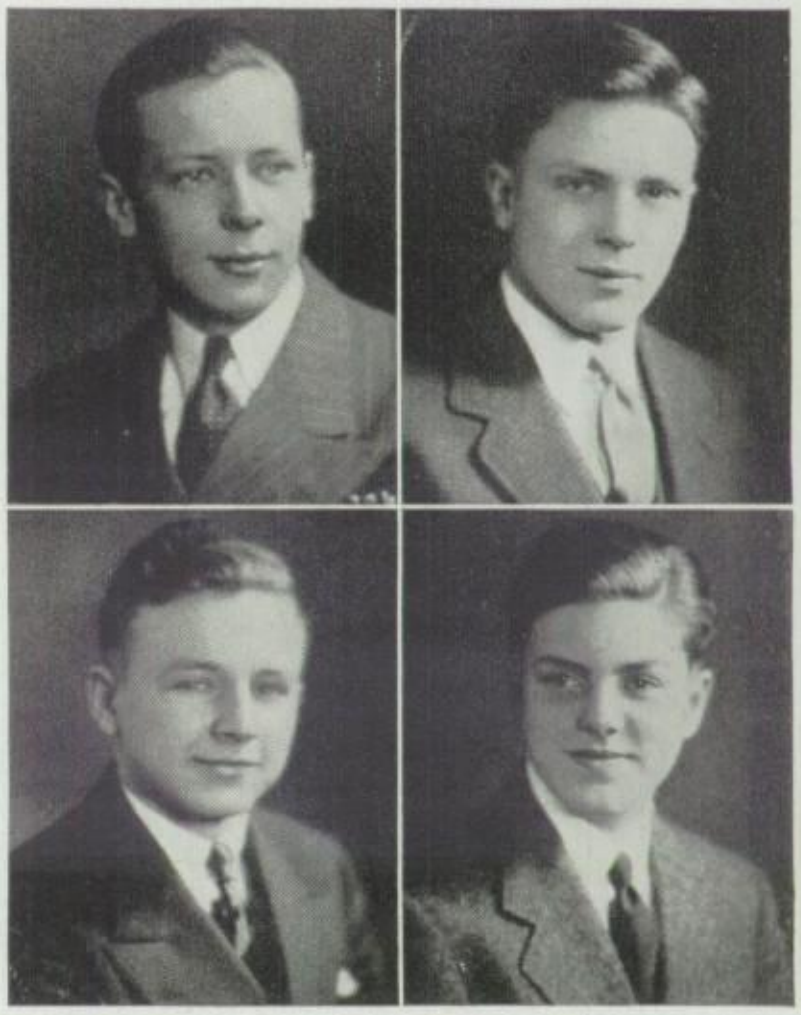
Each semester ten percent of the earnings of the Students' Exchange is donated to the general school fund. From the remaining profit in the fall semester a baloptican machine was purchased for the full purpose of the faculty. However, the profit of this semester's work has not yet been put to a purpose as the club has not yet decided on what to purchase.

The officers of the fall semester were: Michael Brennan, president; Ardell Arthur, vice-president; Jane Bradley, secretary; Richard Bobbit, treasurer; John Rohman, sergeant-at-arms. The other officers for the spring semester were: Jane Bradley, president; Fred Abrams, vice-president; Alyce Holgate, secretary; Dorothy Blomquist, treasurer; and Irwin Hoeper, sergeant-at-arms.

ROW 4: Marson, Dunbar, Dunbar, A., Erickson, Wirtschoreck, Arquilla, Larson, Donovan, Thomson, Westphal, Harm, Telander. ROW 3: Angstrom, Mercier, Bloomquist, Nelson, Bloom, Schachtlie, Shannon, Gustaveson, Sorensen, Stockdale. ROW 2: Johansen, Fashbaugh, Fardy, Conway, DePue, Hodonicky, Lombardi, Pond, Yancey, Burke, Bertossa. ROW 1: Bobbit, Arthur, Mack, Holgate, Mrs. Schachtlie, Miss Wieslander, Bradley, Abrams, Hoeper, Brennan.

ROW 3: Dunbar, Rantz, Mortenson, Schulz, McNeil, Vosburgh, Hill, Smith, Dinsmore, Jett. ROW 2: Sener, Westover, Ruff, Huber, Hohhof, Young, Meredeth, Storrs, Cunningham. ROW 1: Jones, Palmer. Jenson, Musser, Mrs. Brook, Drinkwater, McNeilly, Meyer, Smith.

Stamp and Coin Club



To promote interest in the hobby of collecting stamps and old coins, and to aid in identifying unusual stamps is the purpose of the Philanumismatists, commonly known as the Stamp and Coin Club.

Founded in the spring semester of nineteen thirty-five, this club has flourished under the supervision of Mrs. Ada Lillis, the founder, and Mrs. Genevieve Brook, present adviser. Mrs. Brook, who is a stamp enthusiast herself, has given much help to the club by identifying odd stamps and by presenting the club with numerous issues.

The club was awarded a trophy cup by the Beverly Hills Philatelic Society three years ago. The second exhibit, which won the cup, depicted the history of the United States through its stamps. The club has retained the cup ever since. Recently, two musical assemblies have been sponsored by the club. The first was the forty-five piece American Symphony Orchestra conducted by Dr. Gustave Ronfort which was enthusiastically received by the student body. A tour through the downtown post office last November helped the Philatelists to realize how Uncle Sam handles his mail. Occasionally auctions were held, at which time students bid for the stamps donated by the members of the club.

The officers of the club in the fall semester were: Charles Drinkwater, president; John Mortenson, vice-president; Harriet Westover, second vice-president; and Robert Palmer, secretary-treasurer. The officers for the spring semester were: Robert Musser, president; Robert Palmer, vice-president; Anita Jensen, second vice-president; and Campbell MacNeeley, secretary-treasurer.

ROW 4: Grattinger, Lipsker, Ruff, Forsyth, Clarke, Clay, Bingham, Olsen, Dundon, Robinson, Trolander. Latin Club

Sodalitas Latina, one of Empehi's three language clubs, was founded in 1930 on April 21, the legendary date of the founding of Rome. It is a society composed of Latin students eager to learn more about the language, customs, and lives of the Roman people. Most of the proceedings of the club are carried on in the Roman manner. As if they were in ancient Rome itself, the members are initiated in a true traditional way; officers with Roman names conduct the meetings; and at the celebration of the Saturnalia at Christmas time a Rex, or king, is chosen and "sacrificed to the gods in true Roman fashion."

To commemorate the founding of Rome and of the Latin Club a banquet or luncheon is held each year. The Hemicycle Room of Harvey's Restaurant on Michigan Avenue was the scene of the luncheon again this year. Our principal, Dr. Eston V. Tubbs, and Miss Cora Petty, Latin teacher who recently visited Italy, responded to the toasts; and the guest speaker of the occasion was Mr. Constantine Tziolas, a native of Greece and a graduate of both Morgan Park High School and the University of Chicago. He used ancient and modern Greece as the theme of his address.

The Latin Club maintains a scholarship fund and awards one hundred dollars to the most deserving senior applicant with a high scholastic rating.

Mrs. Harriet Arthur Hecht was again the club advisor. The officers for the fall semester were: Marjorie Secord, First Consul; Charles Drinkwater, Second Consul; William Nelson, Scribe; Virginia Akenhead, Quaestor; and Mary Lou Stevens, Ways and Means chairman. The officers for the spring semester were: Charles Drinkwater, First Consul; Mary Lou Stevens, Second Consul; Francis Teninga, Scribe; Robert Palmer, Quaestor; and James Siemens, Ways and Means chairman.

ROW 4: Donop, Olson, Wachter, Richardson, Janney, Ekloff, Buckley, Moore, Pemberton, Akenhead, Butler, Hooper. ROW 3: Schmitt, Wallace, Samuels, Browers, Horton, Simms, Jacobson, Samuels, M., Oudshoff, Hoffman, Olson, I., McCune. ROW 1: Crow, Hervy, Finley, Jolly, Day, Quast, Mulligan, Custer, Akenhead, Hall, Loesche.

Zoology Club

Under the able leadership of Miss Bessie Bell the Zoology Club completed another successful year.

This year the club has swelled to about twice its former size, the total membership now consisting of over one hundred. A few of the interesting speakers the members heard were: Mrs. Hicks, who spoke and gave movies on her tame robin, "Bobby Robin," and Mrs. McClure, who spoke on animal movies. On February twenty-second, at the school assembly, the club presented Mr. and Mrs. Parsons, in sketches from the life of Abraham Lincoln.

The officers of the fall semester were: Emily McCornack, president; Robert Crow, vice-president; Virginia Akenhead, secretary; and Barbara Davis, treasurer. Officers for the spring semester were: Robert Palmer, president; Elaine Anderson, vice-president; Marjorie Secord, second vice-president; Jane MacKimm, secretary; and Donald Rennie, treasurer.

Girls' Glee Club

Under Mrs. Bernice Hartle the Girls' Glee Club has become one of the most important musical organizations at Morgan Park High School. The club is open to all girls who have completed two years of music; and choral work is the main interest of the club. Although the group meets every day and a minor credit is given to its members, the organization is represented in the Board of Control.

During the fall semester the girls entered the city-wide Glee Club contest, in which they sang "Ave Marie," arranged by Deems Taylor, and "Nymph and the Swain," by H. Clough-Leighter; at Christmas an assembly was given for the student body. An assembly was presented by them for the Parent-Teacher Association and in the Latin assembly presented for the members of the American Youth League the club rendered "Ave Marie."

Officers for the fall semester were: Betty Burd, president; Jeanette Colley, vice-president; Ellen Spence, secretary; Dorothy Forsyth, treasurer. Frances Teninga and Sue Bushnell served as president and vice-president, respectively, during the spring semester. Other officers of the term were as follows: Ellen Spence, secretary; Dorothy Forsyth, treasurer; and Miriam Janney, librarian.

ROW 3: Standerline, Mansfield, Case, Calder, Lindsey, Brubaker, Bochman, Sunday, Correa. ROW 2: Pacatte, Waggoner, Janney, Tweed, Howard, Olsen, Bradley, Cavanaugh, Johnsen. ROW 1: Munson, Murray, Tooker, Penson, Morten, Kirchhoff, Kay, Rickard.

JOHNSTON

The A Capella Chorus, under the guidance of Mrs. Bernice Hartle, was formed in the year nineteen hundred and thirty-four for the purpose of creating an appreciation of music through the study of vocal harmony. When first organized, the chorus was open only to juniors and seniors; now, however, any student who has obtained two music credits is eligible to membership after passing a vocal test.

On the last day before Christmas vacation, in keeping with the Empehi tradition, the A Capella Chorus and Glee Clubs roam the school halls singing melodious Christmas Carols. The chorus also represents Empehi in its musical enterprises such as the annual musical production.

The officers for the fall semester: Joan Wunder, president; Neil Johnston, vice-president; Ruth Hensel, secretary; Corwin Wickham, librarian. The other officers for the spring semester were: Joan Wunder, president; Robert Palmer, vice-president; Ruth Hensel, secretary; Richard Dunworth, librarian.

Fashions of the Hour

The purpose of the Fashions of the Hour Club is to promote enthusiasm in sewing and better taste in style.

Carrying out this purpose, we have had an instructor from the Frederick Mizen Academy of Art, as well as a representative from the School Sewing Service of New York, speak on the subject of fashions at two different assemblies.

A sale of hats, interesting to the WBBM Theater and our own annual style, completes our calendar year.

Promotion Committee

The Promotion Committee is the most newly organized department of the Student Association. Its purpose is to promote all the activities which are sponsored by the Student Association during the school year. This is done through advertising with posters, a public speaking system, bulletins, and devious methods of attracting the attention of the student body. The committee handles a bi-annual drive for new members, all ticket sales, and the distribution of handbooks and student directories. The committee was ably handled for the entire year under the direction of Helen McCumber, chairman, and Mr. Richard Tweedie, the faculty adviser.

Finance Committee

The Financial Committee is composed of sixteen members, headed by a chairman, and is under the supervision of the Student Association secretary. Its members collect the Student Association dues from the division room business representatives. The members are: Shirley Allison, Jane Bradley, Doris Jean Custer, Virginia Dundon, Nancy Gregson, Norwood Hart, Edgar Johnson, Bud Lauerman, Katherine Lombardi, Rosemary Meridith, John Meyer, Jane Morgan, Ruth Pattison, Marion Peterson, Rosalie Phillips, and Jane van Gorkam. The committee has done exceptional work this semester under the able direction of Virginia Nichols and her adviser, Mrs. Ruth Schachtlie.

Quill and Scroll

Quill and Scroll, the International Honorary Society for High School Journalists, which is now under the co-advisorship of Miss Alma Bauman and Miss Mary Nelson, was organized at Morgan Park High School in 1927 by Miss Margaret Sturgeon.

Before becoming a member of the society there are five requirements which each applicant must meet. He must have performed an outstanding service in some phase of journalistic work, have attained his junior year, be scholastically in the upper third of his class, be recommended by the advisor of the society and approved by its national executive secretary.

As delegates to the National Scholastic Press Association Convention held at Des Moines, Iowa, in December, Quill and Scroll sent Shirley Black, Doris Clay, Robert Crow, and Allan Olsen. Quill and Scroll was also represented at the Sixth Annual Medill Conference and the Quill and Scroll Extemporaneous Writing Contest in the spring semester.

The closing event of the year was marked by the Annual Press Banquet held at Mickelberry's on the eighteenth of May.

The presiding officers of the fall semester were: president, Allan Olsen; vice-president, Beatrice Nathis; secretary, Shirley Black; and treasurer, Robert Crow.

The officers for the spring semester were: president, Doris Clay; vice-president, Ellen Spence; secretary, Marion Dingle; and treasurer, Homer Glass.

American Youth League

Late in November, of nineteen hundred thirty-six, Unit Number One of the American Youth League was started in the Morgan Park High School. Only the juniors and seniors were permitted to become members. Regarded not as a desirability, but as an absolute necessity by its founder, Dr. Eston V. Tubbs, the American Youth League seemed to be the best practical remedy for the crisis which seemed to be developing in the United States. That is, dictatorship or near-dictatorship in the government of the United States. As the totalitarian states gradually increase their number in Europe, the quesion will surely be put to citizens of the United States. Better to combat this menace the American Youth League has certain well defined objectives. Chief among these aims are: (1) To gain a comprehensive knowledge of what citizenship stands for, (2) to acquaint ourselves with the backgrounds, lives, and customs of other nations, and (3) to become civically conscious of our rights and duties as United States citizens. A list of these and lesser purposes may be found in our pamphlet. In addition, much more material pertinent to the American Youth League is included. By means of pictures, diagrams, quotations, and other literature, this pamphlet tells of the American Youth League at Morgan Park, the procedures in organizing other units, compositions by members, the constitution and the by-laws of the American Youth League, and an outline of various meetings.

At the present, the program includes such widely varied activities as publishing a second edition of the pamphlet, preparing for American Youth League assemblies and meetings, the selling of American Youth League cards and pins, the sponsoring of a movie at the Beverly Theater, the taking of an intense interest in public affairs, the promoting of Youth Hostel movements, the expanding to other schools.

The future of the American Youth League is very gright indeed. Already various high schools have indicated their willingness to establish units. Moreover, university presidents, ministers, speakers, men high in political life, the thinking men of today, have approved of the American Youth League unreservedly. In time, units will be in one high school, then in two, three, four, then in all the high schools in the city, then in the State, and finally in all States of the Union. The American Youth League will be nationwide! ! ! !

MR. C. HUNTER

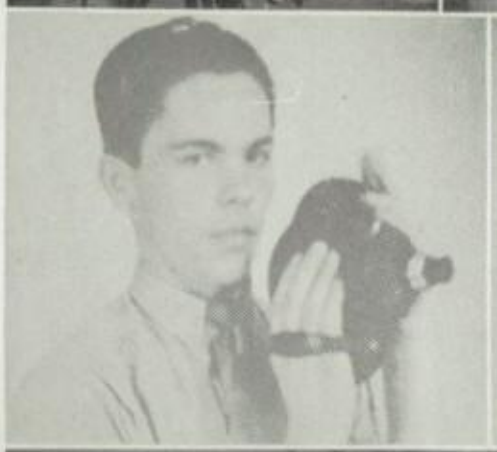
Stage Crew

To maintain the stage of Empehi and to handle the mechanical end of all productions held in Blackwelder Hall is the job that falls into the hands of the Stage Crew. Approximately eight thousand dollars of equipment is used by the crew in performing its many duties behind the curtains of the stage. Everything from spotlights and movie projectors to the large scenic sets and drops are handled by the small group under the supervision of Mr. Curtis A. Hunter.

The crew readily cooperates with all such organizations as the Parent-Teachers Association, the dramatic club, the photo staff, the glee clubs and all other groups that use the stage for various purposes.

Arthur Grange was manager of the crew last fall and he was succeeded by Richard Schuba, who filled the position until he in turn was relieved by Charles Sener this spring.

Photo Staff



Candidly speaking, there is much to say in so little space about one of Empehi's most active groups, the Photographic Staff. Mr. A. Royall Gay organized this group in nineteen hundred and thirty-seven to promoting photography which each year adds more interested students to its group.

The staff at the present time numbers ten hardworking fellows who spend all their free periods in the dark room. They often work all afternoon, also whenever the occasion demands immediate attention. The majority of the equipment used by the boys is "home made".

Each fellow is assigned to a specific job which he is expected to perform with absolute precision.

Almost any afternoon if you are up around the dark room you can see James West mixing chemicals and making solutions for anything and everything along the photographic lines. Jim, you see, is the chief chemist for the staff.

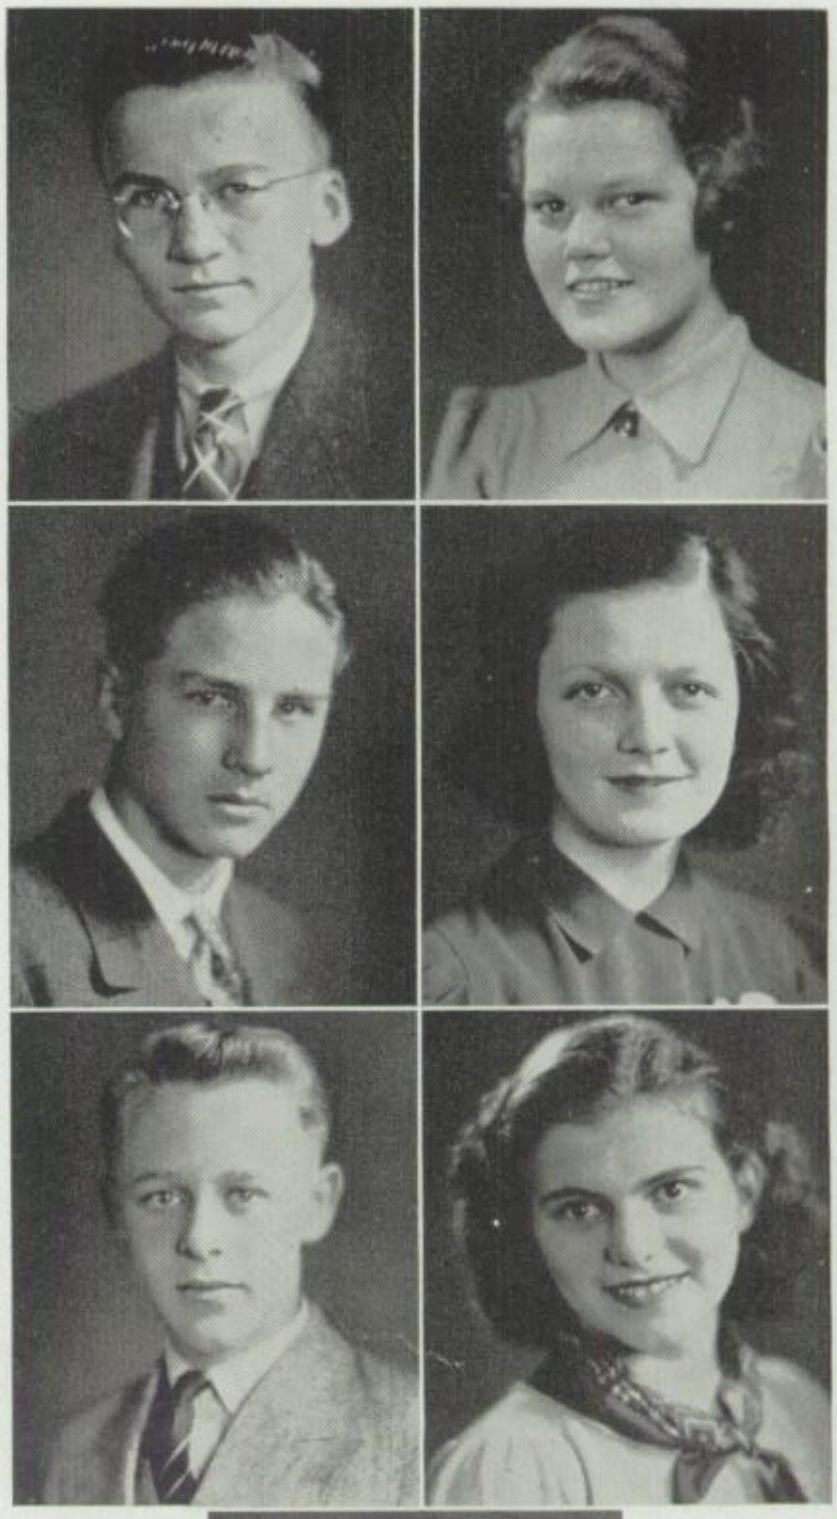
Much credit is due Martin Haedtler and his assistant, William Shoemaker, for the fine newsreels they have taken of the school throughout the past year. The news reels have shown all activities and happenings at Empehi and it is quite a thrill for Empehites to see themselves "in the movies".

Alexis Miller is the portrait photographer and Bayard Lyons has carried the responsibility of the newly acquired sound projector.

With always a lot to do, James Stiggleman, Wallace Morton and Charles Hamilton, the "handy men" on the staff, never have trouble keeping busy. Charles Deneen has charge of the files for the staff.

The co-managers for the semester were Wilbur Eckel and Alexis Miller, being business manager and dark room manager respectively for the staff. Whenever any department of the school wanted pictures for any purpose Wilbur Eckel was always there ready to have them taken. He was responsible to Mr. Gay for all prints and photographs, newsreels, and other shots. As faculty advisor Mr. Gay deserves much credit for the amount of work accomplished by the staff. Many things that have happened have been overlooked, but the biggest change of all is the faces of the students. Two classes of Seniors were graduated, two classes of Freshmen entered, and the other students became two semesters older.

The Clissold Branch



Since the opening of the Clissold Branch four years ago, it has grown each year until now there are two hundred sixty-five students enrolled. Many additions were made to the physical equipment of the Branch during the past year. The high school rooms, formerly located on the first floor, were re-located on the third floor; a modern demonstration table was installed in the science classroom; and shelving and seating facilities were provided for the new library. A complete industrial arts laboratory, including a printing press, paper cutter, potter's wheel and kiln, and bench machinery was acquired. Also a new Ditto machine has been added to the office equipment.

As a great majority of the students are members of the Student Association, it was possible to have an exceptionally large number of activities throughout the year. Classes in social dancing were offered to the students of the Branch on Wednesday afternoons. Six socials were also given under the supervision of Judith Davis, Julius White and Mrs. Valerie Hackett. The assembly programs were of two types, general and individual. The general assemblies held every third week in the assembly hall, presented a variety of student productions and educational sound films. One of the main highlights of the fall semester was the splendid operetta presented by the Glee Club of the Branch. The individual assemblies, held in classrooms, were in the nature of club meetings. Eight special groups were formed according to the interests of the students.

The officers and faculty advisors for these special groups were: Joanne Nicholas, president of the Advertising Club, sponsored by Miss Weber; William Hutchins of the Debating Club, sponsored by Mr. Harrington; Lois Berry of the Dramatic Club, sponsored by Mrs. Soderstrom; Nancy Swearingen of the Glee Club, sponsored by Miss Krol; Charles Kindt of the Model Building Club, sponsored by Mr. O'Neill; William Dingle of the Photo Club, sponsored by Mr. Russell; Lee Schoeneck, head of the Social Committee, sponsored by Mrs. Hackett; and Jack Loshbough, head of the Sports Committee, under the sponsorship of Mr. MacGregor.

ROW 1: Pels, Ahlene, Robinson, Sibley, Stoerkel, Mrs. Malloy, Sereyka, Pratt, O'Dell, Schmidt.

Glee Club

In addition to the free movies shown at the main building the Branch students saw "Dress Parade", "Headless Horsemen", and the sound movie "Little Men". A roller skating party was also sponsored by the Branch on the night of April fourteenth. An all-day Open House for the parents was held on Friday, April twenty-first. This was followed by a tea to which the mothers of the eighth grade students in neighboring schools were invited.

The discipline of the school was handled very successfully under the direction of Robert McGonagil, judge for the fall semester, and Ruth Hart, judge for the spring semester. The judges were assisted by Emma Domazet, Betty White, recorders, and Betty Frank, Edith Henry, Donald Sproul and Lester Sullivan, jurors.

ROW 2: Bennett, Michelson, Nicholas, Piper, Swanson, Greene, Sorensen, Fullerton, Lungren, Gregson, Camit. ROW 1: White, Koelling, Muyller, Miss Weber, Price, Sibley, Hutton, Helmreich.

Advertising Club

Many new and different activities were accomplished under the splendid direction of the Branch officers for the fall semester: Henry Melin, president; Judith Davis, vice-president; Robert Speirling, secretary; and Esther Czainski, treasurer. This splendid work was followed through by the spring officers: Dorcas Gallivan, president; Lawrence Olsen, vice-president; Harriet Martin, secretary; and George Katzmann, treasurer.

Girls' Jazz Orchestra

ROW 1: Marson, Fogelsong, Peterson, Chapel, Miss Monsch, Nichols, Hatfield, Hack, Naber, Ruggemeier.

Botany Club

The Botany Club was organized by Miss Genevieve Monsch for the purpose of instilling in the minds of its members a love for the outdoors and an appreciation of nature's beauty. For membership in the Botany Club, one must have taken Botany or Biology for at least one semester and must also be a member of the Student Association. At present there are about sixty members.

During the last year the club has visited Vaufhn's Seed Store and the Flower Shows at Navy Pier and Garfield Park, as well as sponsoring a flower show for the students at Morgan Park High School.

The club has also held various sales, among them "The Green Carnation Sale," which was to celebrate Saint Patrick's Day, "The Bow Day Sale," and "The Holly and Mistletoe Sale" during the Christmas season. The proceeds of these sales go to make up a scholarship fund given to some worthy graduating senior enabling him to carry on his botanical work in college.

The officers for the fall semester were: Geraldine Holland, president; Ruth Hensel, vice-president; Marion Peterson, secretary; and Virginia Nichols, treasurer. The spring semester saw the club under the guidance of Virginia Nichols, president; Jennie Hatfield, vice-president; Marion Peterson, secretary; Helen Chappel, treasurer; and Geraldine Holland, program chairman. The invaluable aid given by Miss Monsch helped the club through a very successful year.

Military . . .

Sergeant H. E. Parrett

This year Morgan Park lost the services of one of its best friends through the retirement of H. E. Parrett, military instructor at Empehi for over ten years. His place has been ably filled by Sergeant V. A. Dennison, under whose capable leadership the unit is continuing to uphold the high standards maintained at Morgan Park.

Headquarters

The Morgan Park High School R. O. T. C. unit has maintained an honor school rating for the last three years. The regimental organization this year consisted of about three hundred forty cadets, an enrollment considerably larger than the unit has ever been in the past years.

Empehi has had the distinction of having one of its members achieve the position of Cadet Colonel, Commanding Officer of the Cadet Corps of the City of Chicago. Only twice before has Morgan Park had this honor.

The headquarters staff for the spring semester was comprised of Cadet Colonel Richard Didos, Commanding; Cadet Majors William Nelson, Alexis Miller and Reid Bennett; Captains Charles Drinkwater, Phillip Upp and David Lennox; and Cadet Lieutenants James Siemens and Robert Moore.

Coach Robert C. Antonides

Robert C. Antonides was graduated from the Lindblom High School of Chicago where he played football and received the coveted honor of an All-City Halfback. He then journeyed to the University of Illinois and there also became a member of the "Fighting Illini" and also a teammate of "Red" Grange. He was graduated from the University of Illinois and from there became a coach at Carbon City High School. Coach Antonides first came to Morgan Park in nineteen hundred twenty-nine. Considering the material with which the coach had to work with he has been very successful as coach of Morgan Park's teams. His crowning achievement came in nineteen hundred thirty-two when the Green and White gridders won the City Championship. Coach's unquestionable fairness and sincerity will always be remembered by those who have played under him.

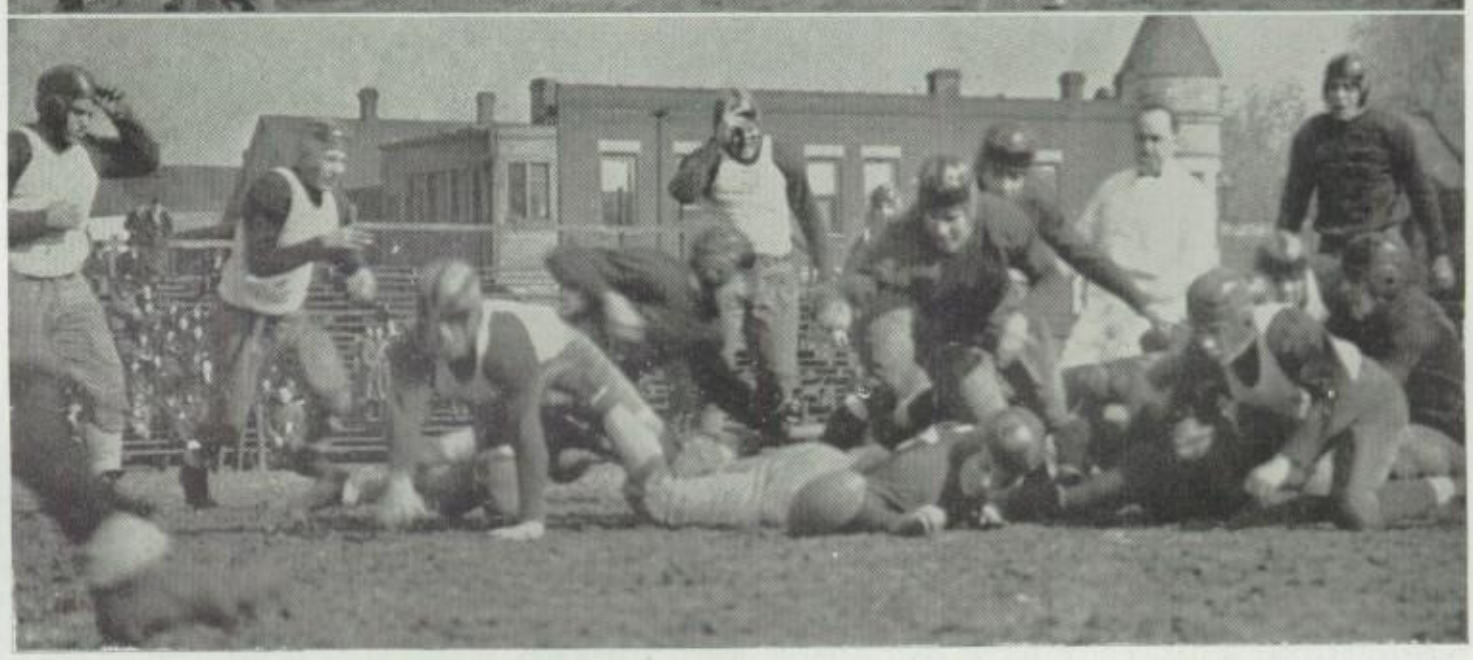
Action

The nineteen hundred thirty-seven grid squad was one of the heaviest teams ever to represent Morgan Park High School. A husky line composed of Minuth and Schissler, ends; Elliott and Guderyahn, tackles; Carter and Blake, guards; and Thornally, center, proved itself to be one of the best forward walls in the section. The backfield, made up of Casey, quarterback; Finninger, left half; Correll, right half; and Captain Robert Larson, at fullback. The leading ground-gainer was Captain Larson, who, with his smashing line thrusts, picked up many a yard. Captain-elect Richard Thornally was the main cog in the line. Besides being an accurate center, Thornally was a mountain of defense. The passing duties were left to Charles Correll, who responded beautifully with deadly passes. Although the team did not finish up in first place in the South Section, we were beaten only by small scores with the exception of the Fenger game. Coach Antonides can well be congratulated for the fine fighting team of nineteen hundred thirty-seven he put out.

Harper Game

Fenger Game



On a snappy fall morning the Morgan Park High School met Harper High School in their fight for the Southside Section Championship. The two teams were evenly matched with neither squad outweighing the other. The play during the first quarter was mostly around midfield with neither team making a serious attempt to score. In the second quarter the Morgan Park eleven passed to the Harper's eight yard line. After three tries Captain Robert Larson put the ball over the line for a touchdown amid the cries of joy from the grandstand. Larson converted for the extra point with Correll holding the ball. Neither side scored again until the fourth quarter, when McGinnis of Harper scored from the six yard line after a series of long passes. Harper missed the kick for the extra point, leaving the game at the final gun Morgan Park High School 7, Harper High School 6.

Morgan Park High School entered the Fenger game hopeful of holding the high scoring Fenger eleven. But Fenger's mighty South Section championship team proved a little too strong for our gridders. Fenger did not score until the second quarter. At the end of the half the score was 6 to 0 with Fenger on the long end. The Red and Green really started to go in the third quarter, scoring two touchdowns against the fighting Green and White. Fenger scored their two touchdowns in the third quarter by a long pass and the other one was scored on a strong line plunge. Morgan Park now started an aerial attack. A long pass from Captain Robert Larson to Wall on the receiving end netted our only tally. The game continued with Fenger scoring at their will against the ever-hopeful eleven of Morgan Park to make the final score Fenger 31, Morgan Park 6.

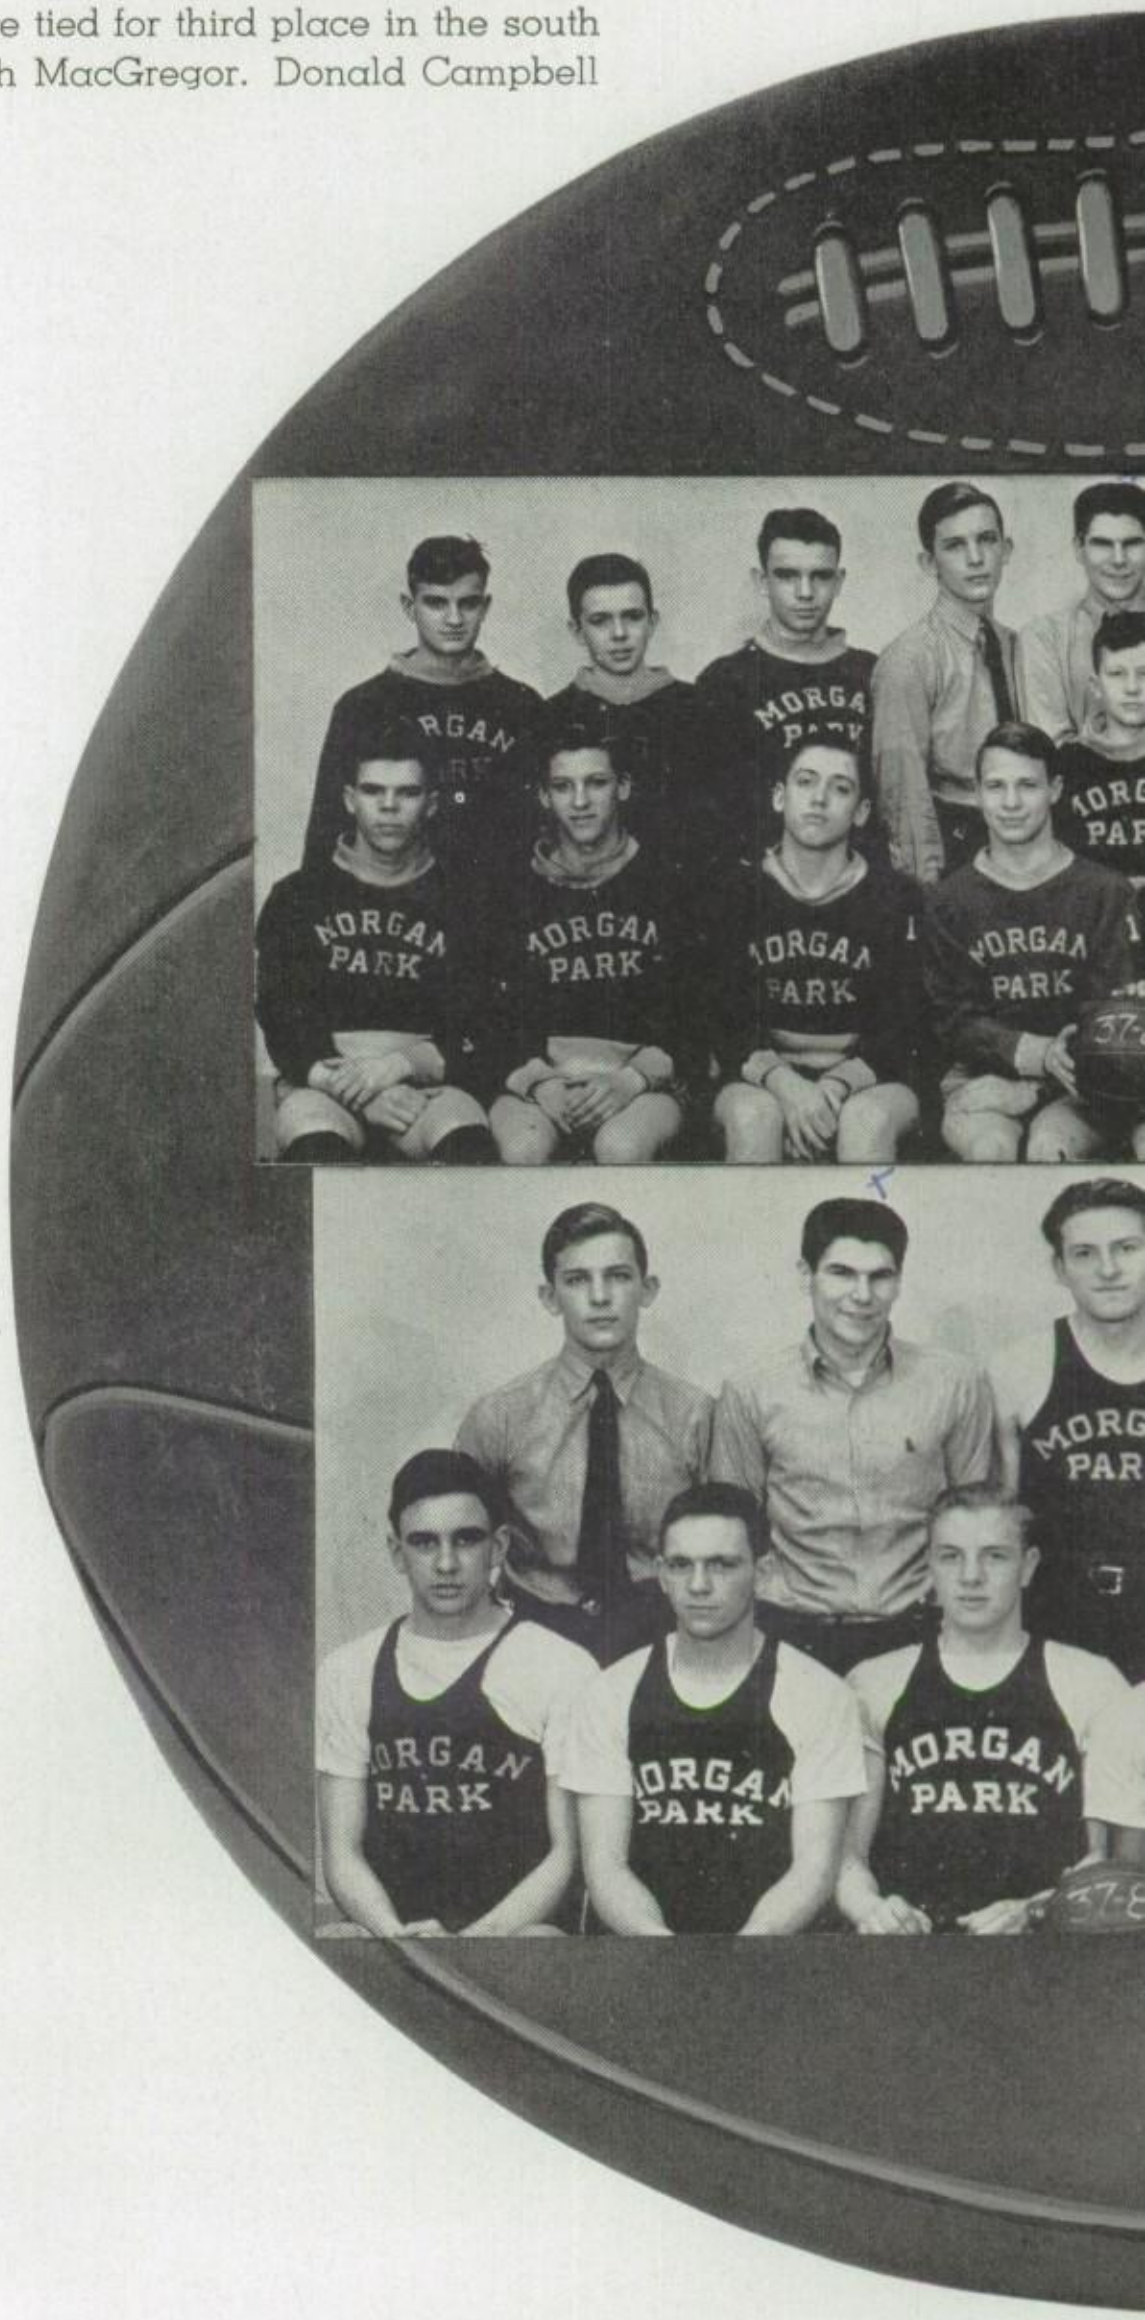
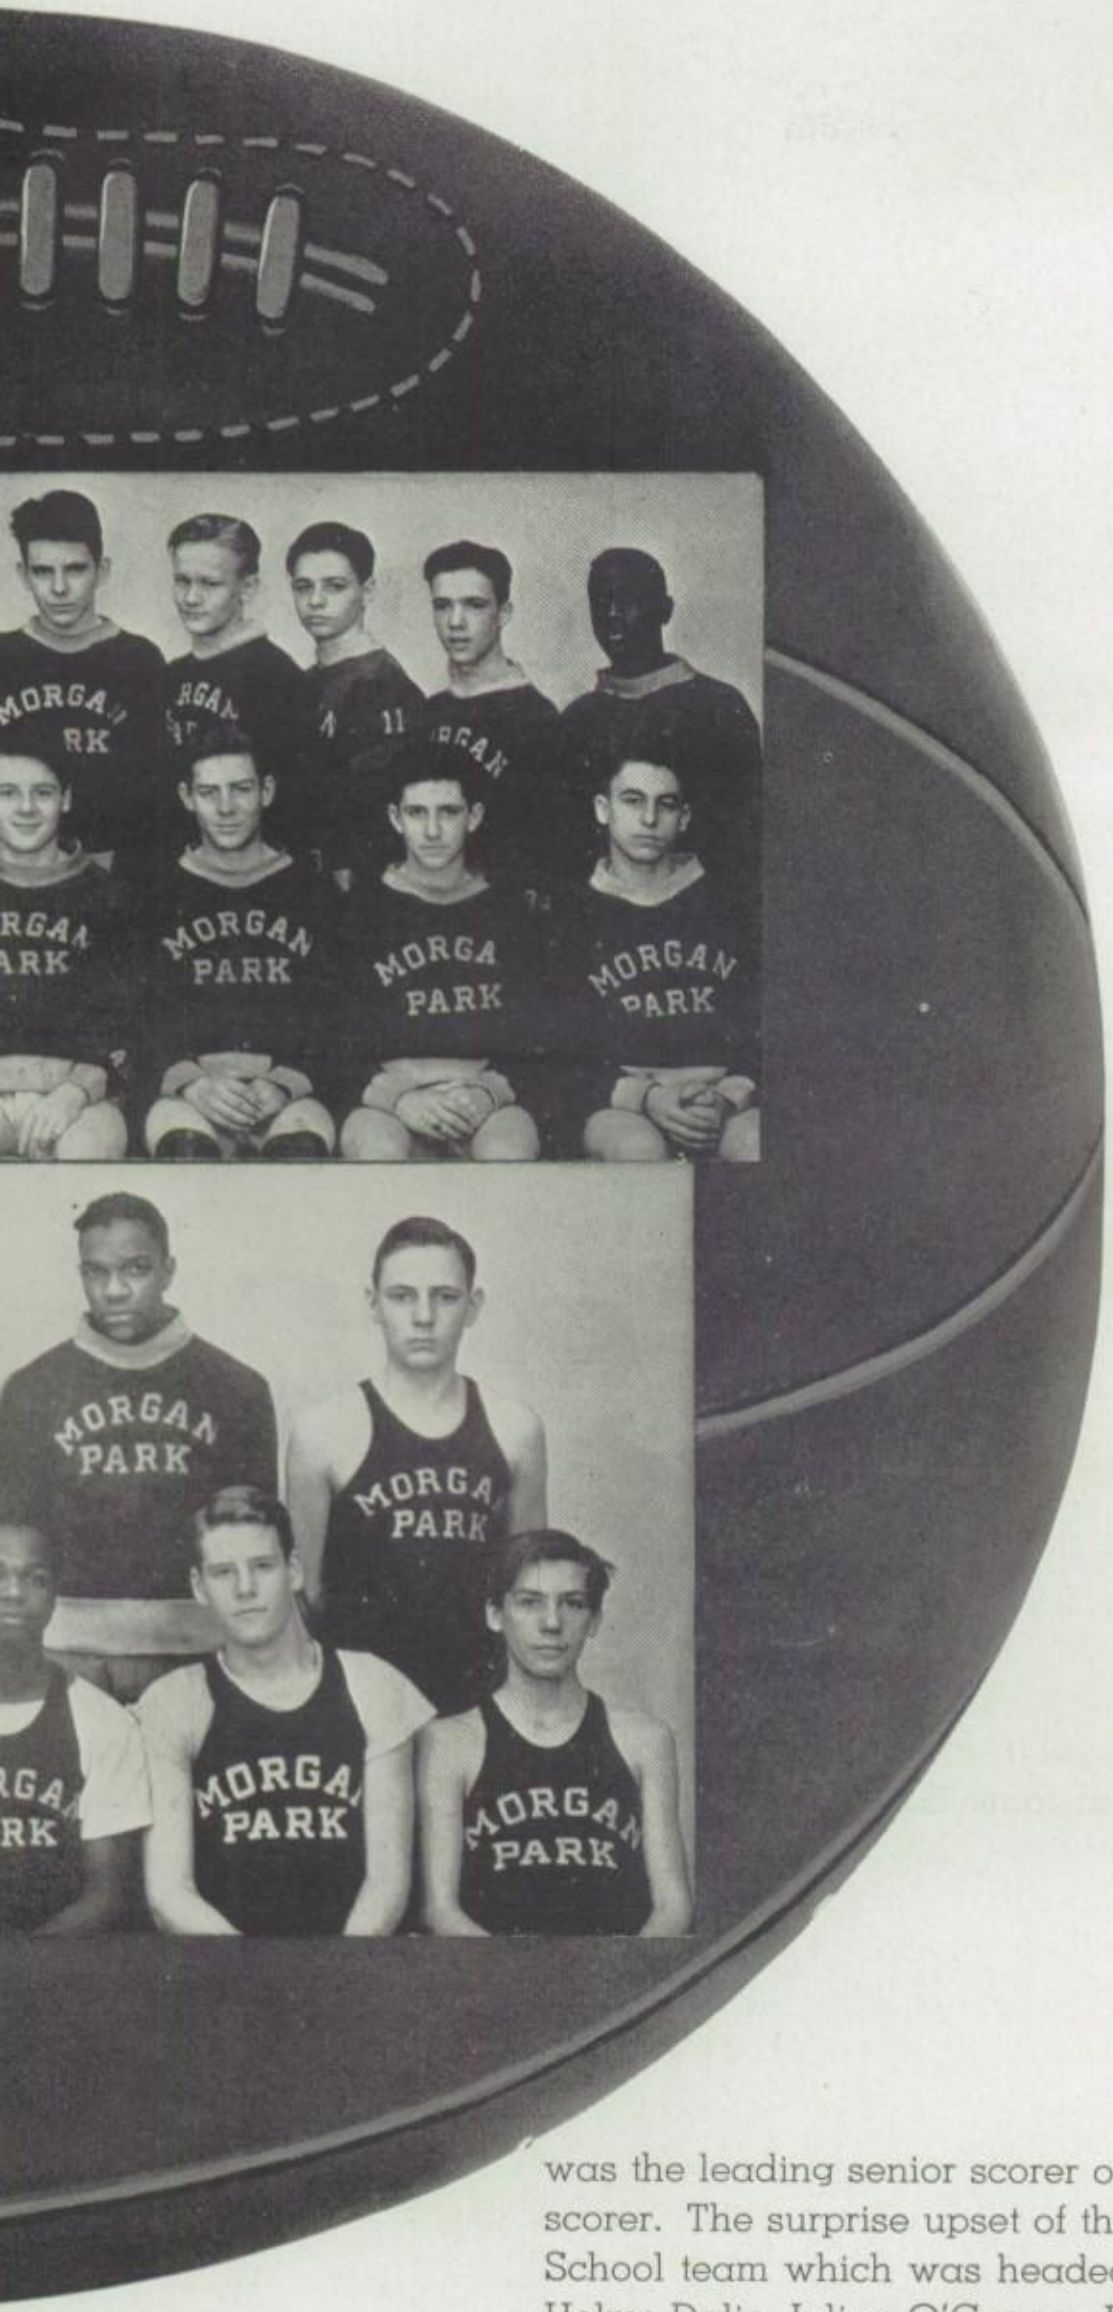
Coach MacGregor

COACH • BALL • GUARD • CAPTAIN • SHOOT • TIME

The team got off to a rather slow start this year but as the season progressed the cagers were greatly improved. When the season ended the final checkup showed Morgan Park High School seniors were tied for third place in the south side section due to the fine coaching of Coach MacGregor. Donald Campbell





was the leading senior scorer of the year and Robert Alcock the leading junior scorer. The surprise upset of the year was the defeat of the strong Hirsch High School team which was headed for the title. John Mathers, Donald Campbell, Holms Dalie, Julian O'Connor, Edward McKinlay and Captain Ralph Anderson were the chief members of the senior team which did its best for old "Empehi".

ROW 2: Alessi, Odell, Brashler. ROW 1: Skworch, Brander, Bredlau.

Golf Team

For the first time in the history of the school, Morgan Park has a City Championship Golf Team. Most of the credit for the overwhelming success of the team can be laid to three golfers, principally Captain William Brandner, Albert Bredlau, and John Skworch, who won their matches consistently throughout the season. Emery O'Dell and Homer Glass completed a well-rounded-out team. Captain Brandner led his team to one victory after another. First the south section crown was won by our able golfers and then we engaged the Schurz High School in the finals for the City Championship. Morgan Park again proved victorious and the Chicago Public High School Championship Golf Shield, emblematic of the supremacy in golf, hangs in our halls. The students of Morgan Park High School may well be proud of the golf team of Morgan Park, the Champs!!!!

Track Team

The city indoor meet and the city outdoor meet are the two main track events of the year. This year Coach Tweedie entered a fairly full team in the indoor meet which was run during March. Monroe Watson, Albert Meany, Harding Rawls and Warren Brown were entered in the sprints.

Edward Hedrick was the lone entrant in the four hundred and forty run. Phillip Upp and Nahaz Rogers were the candidates chosen to run the half mile. Donald Campbell and Carl Nelson were entered in the mile race. Monroe Watson proved to be one of the outstanding sprinters of the city by placing second in the sixty yard dash. Donald Campbell qualified in the mile but failed to succumb the finals. Fred Minuth and Robert Parchman were the only junior entrants in the meet. Both boys ran the six hundred and sixty but failed to qualify. The outdoor meet is held yearly in June so the results cannot be announced as yet but we wish all the fellows good luck.

Tennis Team

With Walter Michel, Richard Dunworth, Clark Armstrong, Henry McWhorter, and Fred Schickling this year's tennis team, promises to be an outstanding team. Both Walter Michel and Richard Dunworth are veterans of the last year's team and have had valuable experience in strong competition. Clark Armstrong, Henry McWhorter, and Fred Schickling are all steady players so that this year's prospects look exceptionally bright. At the time the annual goes to press we are sorry to announce that the team has lost their first game—may this be the last that they lose.

ROW 2: Brashler, Michel, Dunworth. ROW 1: McWhorter, Bethke, Johnston, Lauerman.
ROW 2: Greenwood, Carris, Borchers, Rantz. ROW 1: Roper, Zarth, Bradley, Barry.

ROW 2: Barber, Brashler, White, Dixon, Karko, Rich, Finninger, Mgr. Groper, Tealander, McClure, Diediech, Tealander. ROW 1: Heckmann, Guderyahn, Norris, Correll, Thornally, Plowe, Meisel, Adams.
ROW 3: Klaus, Devney, Bruesch, Rohman, Ruhl, Kerns, Kelly. ROW 2: Stratton, Campbell, Ligtvoet, Malinsky, Correll, Yursis, Harper, Schmitt, Woolley. ROW 1: Katzmann, Sammons, Miller, Heilman, O'Connor, Swanberg, Falk.

Wrestling Team

Coach Antonides was confronted with the problem of organizing, with a few exceptions, an entirely new mat team. The only letterman back on the team was Richard Thornally. As the season progressed the team was made up of the following men: Telander, ninety-five pounds; Brashler, one hundred five pounds; Dixon, one hundred fifteen; McClure, one hundred forty-five pounds; Rich one hundred fifty-five pounds; Correll, one hundred sixty-five pounds; Adams, one hundred seventy-five pounds; and Thornally, heavyweight. Considering that the team lacked experience they made a good showing, winning four meets and losing seven. Throughout the regular season Jean Rich was only defeated once and Cornelius McClure once. In the city meet McClure, Velander and Thornally survived the preliminaries but lost in the semi-finals. It is the hope of all that the wrestling team will continue its good work next year.

Baseball Team

Due to the bad weather conditions the baseball team had rather a late start this year. At the time of this writing the team has played only two games, both being practice games and also in both tilts the scores resulted in ties. Under the able coaching of the coach, Mr. MacGregor, the outlook for the squad is very bright. At the present time the team consists of such able players as: Carroll, catching; Kearns, first base; Sammons, second base; Miller, shortstop; and Milord, third base. Malinsky, O'Connor and Schmidt compose a very hard-hitting outfield. Bernard Yursis and Frank Roman will take care of most of the pitching duties which we hope will bring many victories to our team at Morgan Park High School.

Swimming Team

The seniors completed an unusually successful season, winning seventeen out of the eighteen meets. A defeat in only one meet by a scant margin by the Tilden High School cost the team the South Side Section Championship. Much of the credit for the success of the team is due to the fine coaching of Coach Tweedie, who coached the team for the first time due to the retirement of the former coach, Mr. Maysack. The tankers were not a team made up of one or two stars but a group of consistent winners. The names of Arthur Bethke, Grover Elmore, John Headland, Warren Roesner, Eugene Schobinger, and Joseph Moysey were almost invariably seen in the winning column. A medley relay composed of John Headland, Arthur Bethke, and Warren Brown were undefeated throughout the league season. In the city meet Arthur Bethke claimed a third place in the breast stroke and Warren Roesner took a fifth place in the diving events.

The junior team, led by George Stearns and Walter Henderson, was not quite as successful as the senior team, winning thirteen out of seventeen encounters. We are very proud of the fine showing the swimming team made for the Morgan Park High School in the last year.

Science Medal Students

Mirriel Shields received the first of the science medals last February. Although included in the Febrary graduating class she finished her high school work last summer and is now completing her freshman year at Grinnell College in Iowa. Because of ill health she took the majority of her studies in summer school, while one year was done in Texas. In spite of this scattered education she was eligible for Tau Epsilon seven semesters and graduated eighth highest in the class.

Mirriel won the medal with grades of E and S in Botany, Physics and Chemistry and equally high grades in three years of mathematics.

In order to stimulate interest along scientific lines a new award has been instituted at the Morgan Park High School this year in the form of a science medal. Each semester the one student in the graduating class, who has proved to be ablest and most outstanding in the laboratory sciences, is chosen to receive this medal.

Candidates for the award must have completed three years of a laboratory science or two years of laboratory science and one year of mathematics. The winner is chosen by the heads of the various science departments according to the grades he has received and the interest and understanding he showed. This year's winners were Mirriel Shields for the fall semester and Charles Beardsley for the spring semester.

Charles Beardsley, chosen by a committee of teachers of the science department, received the newly inaugurated science medal, the Bausch and Lomb Science Medal.

This selection was based on the scholastic grades of the laboratory science taken by the students. Of the sixteen marks recorded Charles received one ninety-five, two ninety's and thirteen one hundreds, a record never before obtained by a science student.

With all outside activities crowded into Charles' high school career, he was secretary of the Student Association and placed first in his graduating class, an unusual student yet noted for his cheery smile and friendly "hello."

LITTLE THEATER

One of the first signs of renewed life in the theatrical world is the growth of the more or less independent "little theatre" groups, which have sprung up in different parts of the country. A surprising number of such groups have come into existence in our colleges and universities.

Today, time is being given in the high school, also, to the study of the technique of present-day drama; and some high schools with their "little theatre" groups have been practical workshops for experiment and production.

Morgan Park High School, recognizing this, has long desired to sponsor such a group. This year from the dramatic classes Mrs. Harriet Hecht has organized the Morgan Park Little Theatre Group. This group is giving considerable time to study and production. In connection with this study the group attends a downtown play once a month. The group broadcasts once or twice a year, since the airways are the newest field for dramatic productions. Members of the Little Theatre Group are given auditions by the Radio Council which is maintained by the Board of Education. April 2 of this year, over station WJJD, they presented "The Sweetmeat Game" by Ruth Confort Mitchell, a one-act play of San Francisco's China town on a Gala New Year's evening, during the feast of the Green Dragon.

Members of this group also present plays for school assemblies and assist in the Spring Production. This year in the Spring Production given June 3, they presented "Daughters of Men," a one-act melodrama by Katherine Kavanaugh.

The Little Theatre Group was really first founded back in 1926, when they were known as the Morgan Park Players. The Players entered Chicago Drama League Contest in 1928 and 1929. In 1929 they won the silver cup and cash award with a one act play by John Golden, "The Robe of Wood."

WHO IS YOUR ENGRAVER?

The success of your book depends to a great extent upon the engraver you select at the beginning of the year. • Quality in plate work is the first requisite. Second is Service. Originality, or the ability to put forth new ideas is the next important step. • Our Annual Department designed this book. If you liked it why not call Superior 7440 and ask to see a representative. • The facilities of this Department are at the disposal of your staff. We would like to hear from you.

WORKMAN CALCULATING SCHOOL

608 S. Dearborn St. Wabash 2490

CHICAGO

Dear Sweetie Dawn,

Well sweets you're now a big girl graduate & I hope & seek that you have all the luck in the world & then some. Maybe now that you're out of high school we may see each other (I hope) a little more than we did in the past 6 months. You know I really did miss you but you were so stubborn that you wouldn't come over & see me. I had to come over to your house nights & afternoons - afternoons - afternoons - morning after morning & do you think you would step into my house - (No).

But anyway sweets I still love you as much as ever & you're still my sweet little Dawn.

But forgiving and loved by a little harder to make yourself known around my old house. Love & Kisses Will show I'm afraid that I'm running out of space so
